D Bartlett School of Architecture and Planning UCL). She is Professor of Architectural Design at the School of Architecture AUTH. SPARCH has been awarded 15 international and national design awards. Among them: Commendation by the AR MIPIM Future Project Awards 2017, High Commendation by the World Architecture Festival 2008.

Arch. Kerem YAZGAN (Turkey) – Founded in 2003 by Kerem Yazgan and Begüm Yazgan, both PhD. Architects, Yazgan Design Architecture Inc. is an architectural, interior, landscape and graphic design and construction firm based in Ankara, Turkey. With an experienced staff of 45 architects, landscape designers, technical draftsmen, graphic designers and IT experts, the company has signed on to many architectural, interior design and landscape projects. In the past 15 years, Yazgan Design Architecture has been published in 19 countries and has been awarded with 71 national and international design awards. With over 6.000.000 square meters in total projects located in both Turkey and a number of other countries, the portfolio of Yazgan Design Architecture continues to grow and diversify.

Arch. Judith van der POEL (The Netherlands) – Chief Landscape Architect at Niek Roozen. Niek Roozen bv landscape architects was founded in 1982. As a Dutch landscape design bureau that has been working for over 30 years both in the Netherlands and abroad, we have developed ourselves as specialists in landscaping and city green planning. Important themes that serve as the focus of our projects are the qualities of the existing landscape and appreciating the locale culture. We design green plans for cities always with the Green City Philosophy as the starting point: a philosophy we came up with for the first time during the Floriade 2002.

Paolo Brescia (Italy) – Partner at OBR (Open Building Research). The team of OBR develops its experimental line through the participation in projects concerning public-private social programs, promoting – through architecture – the sense of community and the individual identities. Today OBR is group open to different multidisciplinary contributions, cooperating with different universities, such as Accademia di Architettura di Mendrisio, Aalto University, Academy of Architecture of Mumbai and Mimar Sinan Fine Art University.
